**Name:** Rayamajhi Ajay

**Student ID:** 2622811

**University:** Dong-A University

**Semester:** 1st Semester

**Trip Date:** 29 May 2026

## 1. INTRODUCTION

On 29 May 2026, students from Dong-A University visited Gyeongju, the ancient capital of the Silla Kingdom. The field trip was organized to help students understand Korean history, culture, and heritage through direct observation. During the trip, we explored historical landmarks, learned from local guides, and experienced Korean traditions. This educational visit helped me understand the importance of preserving cultural heritage.

## 2. HANBOK CULTURAL EXPERIENCE

*Figure 2: Ajay Rayamajhi wearing traditional Korean Hanbok.*

One of the most enjoyable parts of the trip was wearing Hanbok. It was my first experience wearing traditional Korean clothing. The experience helped me appreciate Korean culture more deeply and understand how traditional clothing remains an important part of Korean identity. Wearing Hanbok while visiting historical places made the trip feel more authentic and memorable.

### 3. HISTORICAL SITES OF GYEONGJU

The royal tombs were among the most impressive places we visited. These burial mounds belong to kings and nobles of the Silla Kingdom. Guides explained how archaeologists discovered valuable artifacts that revealed important information about ancient Korean society and culture.

We also visited Cheomseongdae, one of the oldest astronomical observatories in East Asia. This structure showed how advanced the Silla Kingdom was in science and astronomy. Learning about its history directly from the site was a valuable educational experience.

## 4. REFLECTION AND CONCLUSION

This field trip was one of the most meaningful experiences of my first semester at Dong-A University. I learned about the Silla Kingdom, observed important historical sites, and experienced Korean culture through Hanbok. The visit helped me connect classroom learning with real historical locations. Overall, the trip increased my knowledge of Korean history and gave me unforgettable memories with my classmates. I am thankful to Dong-A University for providing such a valuable educational opportunity.
